Daniel Rivera

Technical Service Manager

"The flexibility in the solution, and in pricing, was what made GoTo Meeting affordable for us. We see huge cost savings from the day-to-day provisioning. That automation – huge time saver."

Michelle McKinnon

Learning and Talent Executive

"We have much greater rapport across a broader range of staff now because of GoToTraining. We can also more easily assess the effectiveness of our approach course by course. It's an invaluable tool.."
